Recurrent Product Code Review Processing Update and Requirements Affirmation of Compliance Overview

Approved for 6.5 CCS Credits

Presented by:

U.S. Food & Drug Administration

The Division of West Coast Imports will conduct a one-day workshop for the purpose of training in the area of product code building and information requirements. The class will consist of the basic process of building the FDA product code for Foods, Dietary Supplements, and Cosmetics & Radiation-Emitting Products. It will give the students basic understanding and ability to build common FDA Product Codes. It will cover the Industry, Product Class and most importantly the Process Indicator Codes. In addition, we will explain the affirmation of compliance codes for products such as canned foods, radiation-emitting products, and medical devices. Prior Notice questions will not be covered and should be referred to the Prior Notice Center.
