NCBFAA Awards Illinois College Student \$5,000 Scholarship

Washington DC: The National Customs Brokers and Forwarders Association of America, Inc. (NCBFAA) is pleased to announce that the winner of the 2017 \$5,000 Annual Scholarship is William Jansen. William is enrolled at William Rainey Harper College in Palatine, IL, and plans to sit for the Customs Brokers License Examination. He is the son of Tina Jansen, VP - Import Compliance and Services with MIQ Company in Chicago, IL.

"It was a great surprise to me that the NCBFAA selected my essay as the winning entry and I am honored to have been chosen to receive this scholarship that I can assure you will help with my studies," William told the NCBFAA. "I am also grateful to Roanoke for sponsoring this competition and providing this opportunity to students like myself."

As the scholarship winner, William is invited to join the NCBFAA members at their Annual Conference at the Hilton New Orleans Riverside in New Orleans, LA where a representative of Scholarship-sponsor Roanoke Trade will present him with the award during the Conference Opening Breakfast on April 3.

To qualify for the award, he submitted an essay on the topic, "Will the Trans Pacific Partnership benefit or harm American workers and American businesses?" which was judged by an NCBFAA panel of experts to be the winner.

This is the 24th year that the NCBFAA has promoted this scholarship competition as a way to further education in our industry.
