NCBFAA
NATIONAL CUSTOMS BROKERS & FORWARDERS ASSOCIATION OF AMERICA, INC.
VOICE OF THE INDUSTRY SINCE 1897

NCBFAA Regular Membership Benefits

Proprietary Trade Tools (Free to members; nonmembers pay $1,500 per year per item):

- NCBFAA Terms & Conditions
- NCBFAA Combined Bill of Lading
- NCBFAA Power of Attorney Forms

NOTE: *Customs and Border Protection (CBP), along with input from the NCBFAA, recently overhauled the CFR Part 111 broker regulations. The Association responded to these changes by revising its gold-standard Power of Attorney and Terms & Conditions.*

Significant discounts worth hundreds to thousands of dollars per year:

- Discounts on first-class educational offerings and events.
- 10% discounts on insurance through our Affiliate members.

Additional savings opportunities through our partnerships:

- ExWorks free trucker vetting service worth up to $48,000 a year.
- NVOCC's are eligible to join the NCBFAA Shipper's Association, accessing freight savings up to $5K (or more, depending on volume) per year
- Access to 401K Retirement Solution: This program offers significant cost savings, fiduciary support and protection, third party administration and much more
- Our partnership with Monex USA extends 50% savings on international wire fees, and offers increased flexibility for overseas payments

Membership keeps you competitive:

- Time-sensitive industry information and communications from the NCBFAA [think trade conundrums, government shutdowns, regulatory roller coasters]
- NCBFAA's committee network for business advice
- Access to the Member side of the NCBFAA Website, newly designed to allow you to better serve your clients
- Listing in our exclusive Membership Directory (print and online) search by specialty and includes an enhanced description of your company
- Ongoing communication with CBP, FMC and other government agencies including drafting communications for you to share with your clients to highlight your engagement in keeping their freight flowing across the borders and working to find contacts within each agency that can help troubleshoot any issues that arise
- Ongoing dialogue with CBP, FMC, BIS, USDA, FDA, CPSC, and other agencies vital to our industry regarding industry concerns and suggestions for keeping trade moving
- Partnerships with industry leading coalitions, government agencies like ITA, public/private partnerships and other organizations that deliver value to our membership
- Authorized use of the NCBFAA logo and Membership Certificate showing your good standing in the industry
